jostens™

the NYPD series

NYP

This unique series of rings is designed exclusively for New York's Finest, and can be completely customized.

The top of the ring can be personalized with your shield and number. Each ring can be further enhanced with your name, year of appointment or command, and personalized engraving.

Available in three distinct styles in 10K, 14K, 18K white or yellow gold and Silver Elite™ or white Lustrium™ with cubic zirconia(CZ) or diamonds. The ring is also available in five different sizes to perfectly accent anyone's hand. The NYPD Series has been designed to appeal to all budgets.

NYPD Crest Options

NYPD shields are available as crests on the NYPD Series ring. Ranks Sergeant, Detective and Police Officer can be personalized with your shield ID number. This customization makes your ring a one-of-a-kind symbol of New York City's Finest. Crests will be the same metal color as your ring choice, except Police Officer which is always silver in color.
